

One on One Chairman training

By David Cartney FAICD, with 15 years experience of training directors.

The following is chairman training for individual directors or other senior people who wish to improve their chairman skills in a confidential one to one training environment.

There are 8 sessions of 3.5 hours each and are structured as over an 8-week period and Cost from \$900 plus GST per session:

- Each session has one topic and these are delivered in a tutorial environment and how they relate to you own specific circumstances are discussed.
- The topics in session order are listed below. In addition to the materials discussed there will also be provided source reading material for you on related articles to read after each session.
- At the end of each session we discuss a gap analysis of what you are currently doing on the particular topic and work out how to get you up to speed or otherwise close the gap.

Session Topics

1. The Board's role
2. Focus on Strategic Issues
3. Monitoring the business
4. Shareholders and other Stakeholders
5. Board Composition
6. Managing the boards Business
7. Managing Board relationships
8. Assessing and Improving Effectiveness
